

## MEMORANDUM FOR RECORD

SUBJECT: Refractive Surgery Not Performed At Duty Station

Refractive surgery requires an intensive pre-operative evaluation and multiple post-operative examinations to ensure a successful surgery. All pre-operative evaluations will be conducted at the Warfighter Refractive Eye Surgery Clinic (WRESC) at Fort Campbell. Post-operative examinations may be completed at the Service Member's home duty station only if an agreement exists between the WRESC and an Optometrist or Ophthalmologist at the Service Member's home duty station. This must be a pre-existing arrangement to see all post-operative refractive patients and is not arranged on a case by case basis. If this relationship does not exist for a particular duty station, then all follow-up examinations must be performed at the WRESC on Fort Campbell. The Service Member should understand the following:

- 1) LASIK will not be offered to Service Members having refractive surgery performed outside their home duty station unless there is a pre-existing arrangement to follow these patients by an Optometrist or Ophthalmologist at their home duty station.
- 2) Service Members will be required to return to Fort Campbell for multiple post-operative examinations. At a minimum, this includes 4-5 day, 1-month and 3-month visits for all PRK patients.
- 3) If a complication occurs, the Service Member may be required to return for multiple visits over a short span of time.
- 4) If the service member is traveling PTDY the expense of all future visits, whether related to a complication or not, will also be at his/her own expense.
- 5) If the Service Member is using personal leave, the expense of all future visits, whether related to a complication or not, will also be at his/her own expense. He/she may also be required to take additional personal leave for all additional required visits.

The POC for this memorandum is at [usarmy.campbell.medcom-bach.list.wresp-users@mail.mil](mailto:usarmy.campbell.medcom-bach.list.wresp-users@mail.mil) or (270) 798-0775.

## Procedures for screening and selection for the Refractive Surgery Program:

### **Qualifications:**

***\*\*ONLY Active Duty Service Members 18 years of age and have 18 month service obligation remaining from the day of surgery may apply. Furthermore, no pending adverse personnel actions and not going through or considered for Medical Evaluation Board (MEB)\*\****

1. The Service Member (SM) will have the Commander's (CDR) Endorsement (page 3), Refractive Surgery Checklist (pages 4-5), Managed Care Agreement (page 6) and Aviation Commander's Authorization (page 7) *if applicable*, completed before any other steps can be taken by the Warfighter Refractive Eye Surgery Center (WRESC). The exact method and order for completing each form may vary from unit to unit – details for this are left up to each command. If all forms are a "GO", then the SM proceeds to the next step.

2. Once the entire packet is completed, fax or email the packet and all supporting documents as listed below. The SM will then contact the Warfighter Refractive Eye Surgery Center (270) 956-0775 to ensure receipt.

- The complete packet (pages 1-7) No retyped packets will be accepted.
- Commander's Endorsement **MUST** be signed by current Company (at least O3) and Battalion (at least O5) level or higher commander and be less than 90 days old. If signed by acting Company/Battalion CDR, bring a copy of the assumption of command orders.
- ID Card (CAC)
- Proof of ETS or separation date (**Enlisted and Officer—ERB/ORB, RE-UP, etc.**)  
**\*\*AGR Service Members MUST provide a copy of AGR orders.\*\***
- **Bring your current glasses or be able to provide an eyeglass prescription older than one year to your 1<sup>st</sup> Preoperative appointment.**
- **CONTACT LENSES NEED TO BE OUT FOR AT LEAST 14 DAYS PRIOR TO THE FIRST APPT. DO NOT WEAR ANY CONTACT LENSES UNTIL AFTER YOUR SURGERY ELIGIBILITY HAS BEEN DETERMINED**

3. Once all of the above documentation has been presented and verified by the Warfighter Refractive Eye Surgery Center staff at Blanchfield Army Community Hospital, then the SM will be booked for two preoperative appointments.

4. Refer all questions to the Warfighter Refractive Eye Surgery Center at 270-956-0775.

MEMORANDUM TO OIC, Warfighter Refractive Surgery Clinic, Blanchfield ACH

SUBJECT: Commander's Endorsement of Refractive Eye Surgery

1. I hereby give my endorsement/permission for the below listed active duty Service Member (SM) to be evaluated for enrollment in the refractive eye surgery program.

NAME: \_\_\_\_\_  
                    **Last**                                    **First**                                    **MI**  
SSN: \_\_\_\_\_ ETS DATE: \_\_\_\_\_ DOB: \_\_\_\_\_  
RANK: \_\_\_\_\_ SERVICE: \_\_\_\_\_  
DUTY TITLE: \_\_\_\_\_ MOS: \_\_\_\_\_  
ASSIGNED UNIT: \_\_\_\_\_  
CONTACT ADDRESS: \_\_\_\_\_  
CONTACT PHONE: (DAY) \_\_\_\_\_ (EVENING) \_\_\_\_\_  
E-MAIL ADDRESS: \_\_\_\_\_ .mil@mail.mil

2. I realize that after the surgery, the SM will have the following profile for a minimum of 30 days: NO FIELD DUTY, AIRBORNE OPS, SWIMMING OR SCUBA, TACTICAL NIGHT OPS, GAS MASK, CAMMO FACE PAINT, and DRIVING MILITARY VEHICLES. SUN-GLASSES MAY BE WORN AS NEEDED INDOORS AND OUTDOORS FOR 90 DAYS. NO PHYSICAL TRAINING FOR 2 WEEKS (14 DAYS).

3. **I further realize that the Soldier must remain CONUS for at least 90 days following refractive surgery.**

4. The SM will be on unit convalescent leave for up to 6 (six) days following surgery and **must keep all follow-up appointments** with the Warfighter Refractive Eye Surgery Clinic to avoid potential complications.

5. The SM must have 6 (six) months remaining on station and have a minimum of 18 months active duty service commitment remaining from surgery date. ETS date must be verified by official document. SM is at least 18 years old, is not pending UCMJ, is not pending or considered for Medical Evaluation Board. I will inform the refractive surgery center if SM's circumstances change.

**I authorize the SM treatment in accordance with all information provided above. Additionally, I am aware that the Commander's signatures are only valid for 90 days.**

In the next 6 months are you:

Deploying (Yes/No)

If Yes, when? (mmyy)

PSC'ing (Yes/No)

If Yes when? (mmyy)

### Patient Agreement (initial each statement)

\_\_\_\_\_ I request to be returned to my Optometry Clinic at \_\_\_\_\_  
for post-operative care following refractive surgery at Blanchfield Army Community Hospital. The Refractive  
Surgery Center staff will be available for additional consultation as needed.

\_\_\_\_\_ I will contact this Optometry Clinic to schedule my first follow-up appointment as soon as I am notified of  
my surgery date.

\_\_\_\_\_ I understand that post-operative follow-up appointments are required at 4/5-days, 1-, 3- and 6-months. If I  
am deploying before the 6-month exam is due I will complete the 4/5-day, 1- and 3-month exams and then return to the  
Optometry Clinic for a post-operative exam at the completion of my deployment. I understand that the **4/5-day and 1-  
month** follow-up appointments **MUST** be completed at Fort Campbell.

Patient Signature

Date

### Co-Managing Provider's Agreement (initial each statement)

\_\_\_\_\_ I agree that I will manage this patient and accept responsibility for his/her post-operative care. Post-  
operative appointments will be scheduled at 3- and 6-months. If the soldier is deploying before the 6-month exam is due  
then they will complete the 3-month exam and then return for a post-operative exam at the completion of their  
deployment.

I will email or fax the results of each follow-up exam to the Center for Refractive Surgery at BACH.

## Appendix 1: Aviation Commander's Authorization

Memorandum to: Unit

Flight Surgeon CC:

Ophthalmology, Refractive

Surgeon

Subject: Authorization for Aircrew members to receive refractive surgery under the Aeromedical Policy Letter for Refractive Surgery and the Corneal Refractive Surgery Surveillance Program.

1. \_\_\_\_\_, SSN \_\_\_\_\_ is authorized to receive refractive surgery per the guidance outlined in the Aeromedical Policy Letter: Corneal Refractive Surgery.

2. This authorization is based on the following understandings:

a. This authorization does not constitute a medical waiver; it only authorizes the individual to have refractive surgery. The individual will be DNIF for at least 6 weeks, up to a maximum 12 weeks. The medical waiver request will be submitted to USAAMA upon receipt of information from the flight surgeon as to the successful outcome of the individual's surgical procedure. USAAMA will determine if the individual meets the medical waiver requirements when the applicant's eyes and vision meet and retain FDME standards and all requirements for waiver have been met.

b. In approximately 2-3 of every 1,000 refractive surgery procedures (0.2 to 0.3%), the individual will not recover 20/20 best-corrected vision after surgery. Individuals who fall in this category will be evaluated by USAAMA to determine whether a waiver to continue on flight status may be issued. Although slight, there is a possibility the individual may lose his/her flight status in the event of significant visual loss that cannot be resolved.

c. Questions about the updated policy may be directed to USAAMA at 334-255-7430; questions about refractive surgery to the local eye care provider.

d. A copy of this correspondence will be kept on file in the local flight surgeon's office.

3. POC is the undersigned at \_\_\_\_\_.
